### Neighbourhood prayer

Lord, we pray for the people in our village. During this week, we pray particularly for those who live in, work in or visit:

**Sutor Close, Millers Croft, Merchant Way and Saddlers Close.**

We ask that each person may come to know you and that you will bring peace and healing in their lives.

On the Circuit prayer rota we are asked to pray this week for

**Lidgett Methodist Church**

and for **those who are housebound.**

### Prayer

A reminder that each week there is a prayer sheet in the entrance lobby. Please write your prayers for other people and situations that can be included in the service.
